

February 2020

REACH DECLARATION

To Whom It May Concern:

The products produced by “**Plazit 2001 A.C.S Ltd.**” have been assessed according to the European Regulation (EC) 1907/2006 of the “Registration, Evaluation, Authorization and Restriction of Chemicals” (**REACH**) and “Plazit 2001 A.C.S. Ltd.” declares:

1. The products and their packaging are 'articles' as defined by REACH and do not require registration or notification to the European Chemicals Agency (ECHA) by importers in European Union member states.
2. To the best of our knowledge the raw materials and the final products do not intentionally contain any of the substances in a concentration of 0.1% or higher by weight listed in the current European Chemicals Agency (ECHA) “Candidates List of Substances of Very High Concern (SVHC)” last updated on January 16, 2020.
3. “Plazit 2001 A.C.S. Ltd.” also declares that an updated declaration will be published immediately after new substances are added to the Candidates List, as published from time to time on the European Chemicals Agency (ECHA) website: <http://echa.europa.eu/web/guest/candidate-list-table>
